

TO OUR VETERANS,

Thank you for your service. Thank you for fighting and protecting us. Thank you for the days, months, and years of hard work and dedication you put in for the country. Thank you for always being brave. Thank you for not giving up even during your toughest times. No matter how long ago you served our country, you are still a hero to all Americans. Your service to our country will never be forgotten. America remains the home of the free because of your service. We can never thank you enough for everything. You have served our country, so now we serve you.

The students at Central York High School have collected items to donate to our veterans. We know times might get tough, especially during our cold winter season. We hope that our care packages send warm love to you!

Not only did we collect donations, but we made things of our own to include in the packages. We wanted to make sure you all felt welcomed and at home. We made different types of journals for you, we had a lot of fun making them so we hope that you have just as much fun writing in them! As well, one of our first grade classrooms at one of our elementary schools has written letters and drawn pictures for you to enjoy!

Wherever life takes you next, the students and staff at Central York School District wish you the best! We hope you enjoy your next steps in life. We are forever grateful for everything that you have done for our country.

Thank you again, Veterans. We appreciate you.

Ashley and Kali
